FADE IN:

EXT. OUTER SPACE - NIGHT

Countless pin points of light shine on a backdrop of eternal darkness.

EXT. PLANET - NIGHT

Stars twinkle above a cold, desolate landscape.

Deserted ruins decorate a world devoid of life.

From the barren soil, a small cloud of reddish brown dust rises. The dust twirls and takes the shape of a very attractive naked WOMAN, 20s. The woman's eyes are vacant, remorseless and cruel like a shark.

The woman transforms into a small bright glowing ORB. The orb hovers for a moment, then zooms off towards the stars.

EXT. OUTER SPACE - ETERNAL NIGHT

The orb travels through space at a high rate of speed.

The orb slows as it approaches a bright blue planet with white puffy clouds and vast oceans.

EXT. UPPER ATMOSPHERE - DAY

The orb descends into the oxygen rich atmosphere of the planet. A fiery trail follows the orb as it races towards the planet's surface.

EXT. SURFACE OF EARTH - DAY

The orb slows and stops just above a white sandy beach crowded with sunbathers and surfers. The sound of the surf and human laughter fill the air.

Onlookers go silent and gasp as the orb transforms into a stunning naked young woman.

People whisper and point.

The woman looks around, picks up a towel, wraps it around herself. Gobsmacked onlookers stare in wonder -- Especially the men.

EXT. BEACH - DAY

The woman, wrapped in a towel, walks from the beach, through sand dunes and towards a boardwalk. Admirers follow her with their eyes.

EXT. BOARDWALK - DAY

On a sun bleached boardwalk, a barefooted YOUNG MAN, 20's, shirtless and in a swimming suit carries two snow cones.

He stops when he sees the woman and smiles. She returns his smile and motions for him to follow her. He throws the snow cones in the nearest trash can and follows her like a puppy.

EXT. BOARDWALK - DAY

The woman takes the young man's hand and leads him to a shady and secluded spot.

EXT. SECLUDED SPOT - DAY

Hidden from prying eyes, the couple admire each other with obvious mutual appreciation and anticipation.

The woman smiles, licks her lips and faces the young man. She puts her arms around his neck and pulls him closer.

The young man's smile fades. His delight turns to anguish, terror and pain. He struggles helplessly as the woman's touch drains the life force from his body.

The young man's body shrivels and turns to a reddish brown dust. The dust falls to the ground.

The woman stands alone. Only the dust and young man's swimsuit remain. The woman tosses her hair and walks at a leisurely pace towards the crowded boardwalk.

FADE OUT.
