## 4. Plot Summary

### Episode 1: Born to Be Bastards

Five individuals receive a mysterious invitation to a mansion where they are offered an extravagant reward in exchange for completing a seemingly simple mission. Driven by their personal desires and vulnerabilities, they accept the offer.

Initial excitement quickly turns to unease as they realise the gravity of their situation.

#### Episode 2: Shadows of Betraya

As the group begins their mission, hidden tensions and secrets start to emerge. Flashbacks reveal their dark pasts and the trauma that drives their behaviour. The characters begin to question their alliances as old wounds are reopened.

#### Episode 3: Echoes of chaos

A dangerous secret from Houssam Belkacem's past is uncovered, revealing his connections to formidable enemies. This revelation comes in the wake of the murder of the informant who had previously imprisoned him. The episode explores the impact of this discovery on the group, heightening paranoia and suspense as they confront the threat posed by Houssam's old adversaries.

#### Episode 4: Crossroads of the Past

George successfully completes a major drug deal, but his triumph is overshadowed by a surprising visit from his ex-wife and son. He strives to provide them with a suitable home and environment for their reunion, adding a personal and emotional layer to his otherwise cutthroat world. This episode highlights the tension between George's criminal activities and his family obligations.

#### Episode 5: The Heist and the Hysteria

The twin brothers, Mokhtar and Saeed, execute a daring bank manager kidnapping to ensure the success of their transaction. Meanwhile, a rumour circulates about the presence of the Kings of Madness, Nadir and Soufiane, in the city. This news adds an element of chaos and urgency to their plans, complicating the heist further.

#### Episode 6: Entanglements of the Heart

Celia begins to understand Houssam more deeply and seeks to get closer to him, believing he might be the right person for her. Concurrently, Agatha reconnects with her only surviving lover, whom she had spared, and attempts to involve him in their scheme. Emotional entanglements and personal stakes come to the forefront as both women navigate their relationships.

#### Episode 7 : The Blueprint for Chaos

Preparations are in full swing as the team assembles experts and finalises the plans to rob the bank. The episode focuses on the meticulous planning and the logistics of executing such a grand heist. Tensions rise as the team works to ensure every detail is accounted for in their ambitious scheme.

#### Episode 8 : The Perfect Crime

The meticulously crafted heist is set in motion, culminating in a dramatic execution of their plan. The team successfully secures \$50 million, with an additional \$10 million in play. However, internal conflicts between Mokhtar and Saeed lead to a fierce confrontation, threatening to derail their success and create chaos within the group

#### Episode 9 : Revelations and Reunions

A celebratory gathering at Gérard's home follows the successful heist. As they revel in their victory, multiple secrets about Houssam's past and the twins' history are revealed. It becomes clear that Houssam and the twins have ties to Algeria, which adds a new layer of complexity to their intertwined fates

#### Episode 10 :Fractures and Flames

Tensions escalate between Houssam and the twins over religious and moral consequences of their actions. Celia seizes the moment to confess her feelings to Houssam, but her plans are thwarted by the unexpected arrival of the Kings of Madness, Nadir and Soufiane. Their chaotic presence leaves a lasting impact on the group, setting the stage for future conflicts
