Title: Beware what comes with the dark

Log-line:

When Kormag, a sinister creature from the Shadow Realm, crosses into the human world to harvest souls and restore his dark domain, he uses a human puppet, Marco, to aid in his sinister mission. Meanwhile, a group of young adults—each with their own sins and vices—decide to spend a night in a mysterious house deep within a secluded forest. Unaware that their arrival is part of Kormag's elaborate trap, they soon discover that one of them is marked by a divine protection that could thwart Kormag's plans. As the creature seeks to separate and destroy them, will they fall victim to his dark powers, or will the chosen sinner leverage his heavenly shield to save his friends and confront the evil that lurks within?

Overview:

Beware what comes with the dark is a supernatural horror movie that explores the collision between darkness and light, both within and outside of the human soul. The story follows a group of flawed young adults who are drawn into a sinister trap set by Kormag, a malevolent entity from the Shadow Realm. As they navigate the supernatural horrors of a secluded house, they must confront their own sins and weaknesses. With each passing hour, Kormag's power grows, and tensions rise. Their only hope lies in one of their own—an unexpected beacon of divine protection. But this battle will test not only their strength but also their unity, as they grapple with both supernatural forces and the dark aspects of their own nature.

Characters:

Marco (20 years old):

Marco is an ordinary young man with short brown hair, neatly styled, and dark brown eyes that reflect a calm and intelligent demeanor. He is of average height and build, making him seem unassuming to most. However, Marco's true nature is far more complicated. Unwittingly, he serves as the human puppet for Kormag, carrying out the creature's orders without fully realizing the extent of the evil he's enabling. His inner struggle is palpable—torn between guilt and fear, he becomes a potential key to either aiding or thwarting Kormag's plans.

Role in the Story: Marco's arc is central to the plot, as he battles between the control of Kormag and his own free will. His journey to reclaim his own agency will ultimately determine his fate and the fate of the others.

Kormag (Unknown age):

Kormag is a sinister being from the Shadow Realm who appears with a dark gray mist swirling around him and glowing red eyes that pierce through the darkness. He embodies evil, chaos, and malevolence, seeking to harvest human souls to restore his dark domain. Kormag manipulates and corrupts humans with ease, playing on their fears and weaknesses to achieve his goals.

Role in the Story: Kormag is the primary antagonist, the dark force pushing the characters to their limits. His powers grow stronger as the night progresses, but his greatest strength lies in his ability to manipulate and divide the group, using their own sins against them.

Georgia Jones (26 years old):

Short, with long black hair and brown eyes, Georgia is a perpetual loser in life and love. She has no boyfriend and prefers solitude, except for the company of her only friend, Sarah. Georgia's history of failed relationships has left her with low self-esteem and a sense of hopelessness. She often masks her insecurities with sarcasm and self-deprecating humor.

Role in the Story: Georgia's lack of faith in herself makes her an easy target for Kormag's manipulations. Her bond with Sarah will be tested, She falls in love with someone she used to hate and was always against.

Sarah (25 years old):

Taller than Georgia, Sarah has light brown eyes and short hair that barely brushes her shoulders. She prefers a casual style of jeans and T-shirts, shunning dresses and formal attire. Sarah is straightforward and honest, sometimes to a fault, which can come off as cold or blunt.

Role in the Story: Sarah serves as the voice of reason in the group, but her skepticism and logical nature will be challenged by the supernatural events unfolding around her. Her friendship with Georgia is crucial, but Kormag's influence will push them apart, forcing Sarah to confront her own fears and doubts.

Rami Al-Yazid (27 years old):

Rami is from Algeria and stands taller and stronger than the rest, with a lean, muscular build. He is fair-skinned with dark hair and sharp facial features that add to his intimidating presence. Rami's intense, calculating eyes give off the sense of someone always aware of his surroundings. He's addicted to smoking, using it as a crutch to deal with the stresses of life.

Role in the Story: Rami's addiction and self-destructive tendencies make him vulnerable to Kormag's influence. His struggle will be both physical and mental, as he faces the demon of addiction alongside the literal demons that haunt them using his protection from his lord.

Ethan Cross (24 years old):

Born and raised in a small town, Ethan has an easy-going personality and a knack for making people feel at ease. He's medium height with light brown hair that's always a bit messy, and a strong but not overly muscular build. Ethan is the cool guy in the group, always ready with a smile or a joke, masking a deeper sadness and sense of isolation.

Role in the Story: Ethan's facade will crack under pressure, revealing vulnerabilities that Kormag will exploit. His journey will be one of self-discovery and courage as he steps out of his comfort zone to protect his friends.

Lina Carter (25 years old):

Lina has long, flowing hair that perfectly frames her face. She is not just rich; she is incredibly perceptive and has an uncanny ability to read people by looking into their eyes. This skill allows her to understand others' emotions and intentions deeply. Strong-willed and unafraid of confrontation, Lina often takes on a leadership role.

Role in the Story: Lina's perceptiveness will serve as both a strength and a curse as Kormag distorts her reality, she is the girlfriend of Derek

Derek Holt (24 years old):

Derek comes from an affluent, tech-savvy family. He has dark hair that is impeccably styled, and a slender build. His designer glasses enhance his slightly geeky look. Derek is the brains of the group, frequently coming up with innovative solutions, but his privileged background makes him somewhat disconnected from the struggles of others.

Role in the Story: Derek's reliance on logic and technology, the boyfriend of Lina

Themes:

- **Redemption and Guilt:** Each character must confront their own past mistakes and regrets to survive.
 - **The Power of Unity vs. Isolation:** The group must learn to trust and rely on one another, despite their differences and Kormag's attempts to divide them.
 - **The Battle Between Light and Darkness:** The chosen sinner's divine protection symbolizes hope and light in the face of overwhelming evil.

Pilot Summary:

The pilot opens with Marco's first encounter with Kormag, setting the stage for his transformation into the creature's puppet. Meanwhile, the group of young adults arrives at the mysterious house, eager for a

weekend away from the pressures of daily life. As they settle in, strange occurrences begin to happen—doors creaking open on their own, whispered voices in empty rooms, and a lingering sense of unease. The tension escalates as secrets are revealed, and Kormag's presence begins to manifest more overtly. By the end of the night, the group realizes they are not alone, and one of them discovers the mark of divine protection, hinting at the larger battle that lies ahead.

Visual Style and Tone:

The series has a dark, atmospheric visual style, with deep shadows and muted colors to create a sense of foreboding and unease. The house itself is a character, filled with hidden spaces, unsettling sounds, and shifting architecture that disorients and confuses. The tone is intense and suspenseful, blending psychological horror with supernatural elements.
